ICE AGE
DAWN OF DINOSAURS
PG

The sub-zero heroes from the worldwide blockbusters Ice Age and Ice Age: The Meltdown are back, on an incredible adventure...for the ages. Scrat is still trying to nab the ever-elusive nut (while, maybe, finding true love); Manny and Ellie await the birth of their mini-mammoth, Sid the sloth gets into trouble when he creates his own makeshift family by hijacking some dinosaur eggs; and Diego the saber-toothed tiger wonders if he's growing too "soft" hanging with his pals. On a mission to rescue the hapless Sid, the gang ventures into a mysterious underground world, where they have some close encounters with dinosaurs, battle flora and fauna run amuck – and meet a relentless, one-eyed, dino-hunting weasel named Buck.

In the action-thriller Public Enemies, acclaimed filmmaker Michael Mann directs Johnny Depp, Christian Bale and Academy Award winner Marion Cotillard in the story of legendary Depression-era outlaw John Dillinger (Depp) -- the charismatic bank robber whose lightning raids made him the number one target of J. Edgar Hoover's fledgling FBI and its top agent, Melvin Purvis (Bale), and a folk hero to much of the downtrodden public.
